SECRETARY OF THE SENATE

ID Number: C00330886

Reference: Amended July Quarterly Report (4/1/09-6/30/09)

To Whom It May Concern:

We are in receipt of the Commission s letter regarding the above referenced report. Please see below for our complete response.

We are fully aware of the contribution limits set forth by the Commission. We have in place a system to deal with contributions that are temporarily excessive and to guard against the acceptance of excessive contributions by our committee. Contained in this report, there were a few instances where contributions should have been presumptively redesignated and were not. Because of this oversight, they appeared to be excessive. All of those have been corrected in the corresponding amendment. Similarly, there were some period designations that weren t made clear between some PAC committees and us. We have verified both the intent of the committees and how they reported the contributions and the current amendment rectifies those issues as well.

In some instances, redesignations were not available and some PAC committees exceeded their contribution limits for an election period to our committee. In these cases, we are refunding the appropriate portions of those contributions. These transactions will be reflected on our next regularly scheduled report.

The Column B figures for this report have been corrected to accurately reflect the election cycle to date totals for our committee.

Finally, the election cycle to date aggregations have all been corrected as well. Once again, software glitches that have created duplicate records have directly led to this result. We are constantly working to improve this process working closely with our software vendor and are confident that we have done so.

Our goal is to report all of our activity in the most timely and accurate way possible. We are always improving our internal systems and procedures with that goal in mind. We trust that this response coupled with the amended report for this period corrects the public record. If you need further information from us, please don t hesitate to contact us.

Regards,
Crapo for Senate
