REFERENCE: 30 DAY POST-GENERAL REPORT (10/20/2022 - 11/28/2022)

Dear T D Robertson,

This statement is in response to the Commission's letter to the Committee dated May 8, 2023, regarding two (2) items on its 2022 Post General Report ('Original Report').

First, the Commission's letter requests clarification regarding sixteen (16) apparent 'last minute' contributions disclosed on the Original Report, but which appear not to have been disclosed on a 48-Hour Notice. One (1) of these contribution was disclosed on a 48-Hour Notice; but the 48-Hour Notice disclosing the contribution listed the wrong contribution amount due to a clerical error. This will be corrected on an Amended 48-Hour Notice being filed concurrently with this response. Eight (8) of these contributions were inadvertently reported on the Original Report with the incorrect contribution date. The correct contribution dates for these eight contributions, which were outside the 48-Hour Notice window, will be reflected on the Amended Report being filed concurrently with this response. Seven (7) of these contributions were omitted from the 48-Hour Notices routinely filed by the Committee due to a clerical error. These contributions will be disclosed on Amended 48-Hour Notices being filed concurrently with this response.

Second, regarding descriptions for itemized disbursements on the Original Report, the Committee has provided additional clarification for the referenced descriptions on the Amended Report being filed concurrently with this response.

Please feel free to contact us if you have any further questions.

Sincerely,

Stacy E. Wiggins
Treasurer
