No expenditure was made on behalf of a specifically identified federal candidate. No expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. The Committee did not engage in any Federal Election Activity during the reporting period. All disbursements for salaries and benefits disclosed on Schedule H4 are for employees who did not spend more than 25% of their compensated time during the reporting period on Federal election activities or activities in connection with a Federal election. Items disclosed on Schedule H4 as non-accountable expense allowance are, as the purpose describes, not accountable by the employee and no further itemization is required. The Committee uses the Escrow option for receipt of corporate in-kind donations as provided for by the Commission in Advisory Opinion 1992-33. The escrow amount was transferred in bulk on October 27, 2006 in the amount of \$100,000.00, which exceeds any anticipated amount of corporate in-kind donations received prior to additional amounts transferred to escrow. The method ensures that prohibited sources are not used to fund the federal share of allocable activity expenses. During this reporting period, the Committee accepted \$240,236.31 in corporate in-kind donations which did not have a specific transfer made prior, instead relying on the escrowed amount. The federal portion of these in-kind donations are \$18,651.92 administrative and \$13,889.78 MD06. These amounts will be transferred from the federal account to the non-federal account in the subsequent reporting period in order to re-establish the escrow account at the \$100,000.00 balance. All voided disbursements represent checks originally issued where no goods or services were provided, or were replaced with checks in the same amounts. The individuals to whom disbursements were made for cleaning services, photography and boat chartering are not employees of the Committee. Amendment is being filed in response to Request for Additional Information dated 11/7/07. Schedule H4 is being amended to clarify the description(s): non-accountable expense allowance for various individuals. These payments are car allowance stipend payments made to staff. They do not have to submit their receipts for reimbursement and these amounts will be included in their taxable wages on their W-2 for 2007. Their wages are reported on Schedule H4 as noted above and these car allowance stipend payments are reported in the same manner.
