Dear Mr. Francis:

This letter is being written in response to two of your letters to Mr. Richard Gunderson, Chairman of the American Council of Life Insurance PAC (FEC ID# C00147066). Both of your letters were dated September 17, 1997.

Your first letter addressed a discrepancy in the March monthly report, covering activity for the month of February. You correctly pointed out that the itemized receipts for February were added to line 11(a)(II) of the previous month's report instead of line 11(a)(I). I have enclosed a spreadsheet showing the corrected amounts for line 11a for the entire year. Note that none of the total figures have changed; rather, just the amount of itemized receipts for each month has been corrected.

Your second letter addressed a problem with the May monthly report, covering activity during April. As we discussed on the telephone, there was no error in the report. You found that an extra copy of a page of the Schedule B was included in your copy. By adding the figures from that extra page to the actual Schedule B, you were arriving at the incorrect figures you cited in your letter.

Thank you for your attention to our reports. We would be happy to answer any further questions you might have.

Sincerely,

Michael deBlois
