RE: Protecting Choice in California, a Project of Planned Parenthood Affiliates of California (ID #C00556860)

Dear Mr. Butler:

Our firm acts as campaign counsel for the above referenced committee and its treasurer. This letter is to inform you that Protecting Choice in California is amending its 48-hour disclosure report (originally filed August 8, 2014 and August 29, 2014) to remove expenses for online advertisements and mailers and also to update several estimated costs.

We are removing expenses for online advertisements and mailers from this 48 hour report because we later determined that those advertisements were not disseminated until early October. The committee disclosed these expenses on new 48-hour reports when they were disseminated. In addition, we are updating the estimated expenses based on more up to date information for these expenses.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

LACEY E. KEYS
