Re: 30 Day Post-General Report (10/14/2010-11/22/2010)
FEC ID# C00489781

Dear Ms. Colucci:

In response to your letter dated March 7, 2011 requesting additional information:

1. The memo items disclosed on Schedule E for Line 24 are reported as memo entries for the purpose of correctly disclosing the dates the communications were publicly disseminated. Schedule D supporting Line 10 was not provided for these items because they were paid for after the election but prior to the end of the reporting period. Please see Page 1176, Line A.
2. The expenditures identified were made for the purpose of generic fundraising for the committee and were not made on behalf of any specifically identified federal candidate, except for those transferred to Schedule E and identified by memo entries.
3. The expenditures identified as "advertising/fundraising" and "telemarketing/fundraising" were made for the purpose of generic fundraising for the committee and were not for a public communication or voter drive activity containing express advocacy. Of the two media production expenditures on Schedule B, one was never disseminated and the other was transferred to Schedule E as a memo entry on the later date when it was publicly disseminated.

Sincerely,

Nancy H. Watkins
