Reports

Dear Mr. Katz:

On October 25, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 7, 2000, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

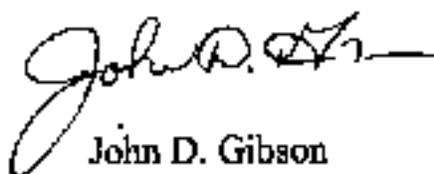

-The Commission acknowledges that you have redesignated to the General election contributions to candidates originally designated for the 2000 Primary election but which were disbursed after the election date(s). The Commission also notes that a refund of your Primary election contribution to Tiberi for Congress dated June 8, 2000 "will be requested." Please provide the date on which you authorized and requested, in writing, the redesignations and refund.

An adequate response must be received at the Commission by December 6, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response

submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Scott Walker on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.
