Re: March 31 Quarterly Report

Dear Ms. Slade,

I am responding to your letter of May 22, 1995 regarding a contribution to Laughlin for Congress that exceeds the limit of the primary election. The first check of \$ 1,000.00, dated March 5, 1996 was for the primary election dated March 12, 1996. The second check for \$500.00, dated March 16, 1996, was for the runoff election dated April 9, 1996. Please find an amended Page 7 of 7 for line 17 for the period January 1, 1996 to March 31, 1996.

In response to your inquiry about reporting Memorandum Schedule A to the same quarterly report for contributions of original contributors that exceed \$ 200.00 , there were no contributions to the Alaska 96 committee during the report period.

Sincerely,

Robert J. Bohnert
Treasurer
