Dear Ms. Sinram:

This correspondence is in response to your Request for Additional Information (RAI) for the above referenced report.

With regard to purpose descriptions on Ln 17, all items using the description "contract fulfillment" and "contract payment" have been updated to "Payroll" as these were W-2 wages paid to an employee. An amended report has been filed.

As a point of reference, due to a change in filing software, the amended filing excludes transactions previously itemized on the original filing of this report. Each item excluded has an aggregate less than the \$200 itemization threshold and did not require itemization on the original report.

Please feel free to contact me if you have any additional questions concerning this matter.

Sincerely,

Caleb Crosby  
Treasurer
