This is in reply to the Request for Additional Information for the MADISON PAC C00426809 Year -End Report for 2015. The Receipt from UBS AMERICAS INC. PAC for \$5000.00 was received in late February by the committee but had apparently been issued in Dec, 2014. Due to when it was received, it was associated with 2015. The UBS PAC issued another \$5000.00 to MADISON PAC in Dec 2015. This was reported as well and put us over the limit. This amount has been issued as a refund to UBS 5/7/2016 and will be reflected in the next report.
