RFAI - dated 10/29/97

Dear Ms. Wall:

Pursuant to the letter received from the Federal Elections Committee, we are transferring the questionable contributions into the appropriate account. We have done so after talking with you and being advised that the entities that made these contributions had to file a federal disclosure.

While we discussed with these entities the availability of federal funds, it is our desire that they not have to file a federal disclosure based solely on their making a federal contribution to us. Therefore, while we know that these are permissible funds, the easiest course of action is to move the money from our federal to our state account.

Enclosed is a photocopy of the transfer-out check. Per your instructions, this transfer-out will be disclosed on Schedule B supporting Line 22 of our year end report.

Thank you.

Sincerely,

Steve C. Anthony
