RE: American Liberty Fund Identification Number C00623421
October Quarterly Report (7/30/2020-9/30/2020)
Pre General Report (10/1/2020 - 10/14/2020)

Dear Ms. Ray:

This letter is in reply to the Requests for Additional Information for the two reports listed above. We have examined the issues cited in the letters and have determined that they were caused by errors in uploading data. We have corrected these problems and have filed amendments to the reports.

Please note that the committee made an independent expenditure on January 4, 2021 with respect to the Georgia Special Runoff Election that was not required to be disclosed in a 24 hour report. The Committee will not file a Year End Report on January 31, 2021, but will file a Post Special Runoff report on or before February 4, 2021.

Please contact me if you have any questions. Thank you for your help.

Sincerely,

Paula Y. Edwards
Treasurer
