Reference: October Quarterly Report (7/1/07 – 9/30/07)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Your report discloses \$334,376.53 in un-itemized individual contributions on Line 17(a), Column A, of the Detailed Summary Page. When contributions from an individual reach \$200 for an election cycle, each subsequent contribution from that individual must be itemized, regardless of the amount. The itemization should include the full name, mailing address and zip code of the person, along with the name of his/her employer, the date of the contribution, his/her occupation, the election designation and the election cycle-to-date amount of contributions made by the person. Please amend your report to provide a Schedule A-P if necessary, or to clarify that for the contributions in question, the aggregate total for the election cycle for each contributor does not exceed \$200. (11 CFR § 104.3(a)(4)(i))
2. Your report discloses \$1,266.20 from Mary Brownback in Offsets to Operating Expenditures on Line 14, Column A, of the Detailed Summary Page. However, your report does not include an adequate memo text detailing the nature of this offset. Please be advised that if there are not corresponding expenditures for these entries, it may constitute an excessive or prohibited contribution. Please amend your report to provide an explanation for this entry. (11 CFR § 104.3(a)(4)(v))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1168.
