The committee recieved a letter from the Federal Election Commission requesting clarification for items on the Year-End Report (11/27/12 -12/31/2012). The Year End report has been amended to reply to items 1 and 3 in the letter. However, Item 2 requires an explanation. Item 2 requests clarification for the difference of the total line 18 (a) Column A of the committees 30 Day Post General and Year End reports and line 21(a) (ii) of the same reports.

On 10/15/12 a check was issued from the committee's non-federal account to the federal account for \$6,037.58. This amount represented 50% of the payments made from the federal account for the period 9/13/12 to 9/27/12. The payment on 10/15/12 transfer is well within the 70 day time period.

A portion of the allocated activity in the amount of \$479.62 was not transferred during the 70 day time period.
