

Daniel Buckley
Senior Campaign Finance Analyst
Reports Analysis Division

Dear Mr. Buckley,

I am writing in response to your letter from May 5, 2011, in which you asked about our filing 24-hour notices for certain expenditures. I acknowledge that I had not filed these on time, and I had attempted to rectify the situation by filing them on April 14, 2011, when I had filed my amended Post-General report of 2010. I filed those 24-hour notices late because when I had originally filed my Post-General report in December, I had not realized that some of those expenditures should have been filed as Independent Expenditures. They were for ads that supported a local and a Federal candidate, so I thought that those expenditures should have been categorized as Other Expenditures. Once I realized my mistake, owing to a notice from the FEC, I filed an amended report to correctly categorize the expenditures. At that time, I also filed 24-hour notices.

I hope that addresses your concerns. Please do not hesitate to contact me if you have any other questions. My phone number is (347) 247-9035 and my e-mail address is jingliyu@gmail.com.

In addition, a new Treasurer is serving at the 80-20 PAC. But since I filed these original reports when I was Treasurer, I am responding to your inquiry.

Thank you.

Sincerely,

Jing-Li Yu
Treasurer (2007-2010)
80-20 PAC, Inc.
