All other members in the 1st Quarter 2016 report whose aggregate contributions have totaled \$200 or more in a calendar year, who have not notified CWALACPAC of their occupation and employer, have been sent a letter requesting said information with the following language:

"We are missing some very important information in our records for you in regards to your 2015 contributions! Federal election law requires us to use our best efforts to collect and report the name, mailing address, occupation and the name of employer of individuals whose total yearly contributions meet or exceed \$200 in a calendar year. Please help us comply with this requirement by responding to this letter, providing your occupation and employer in the section below. (Please note: if your occupation is "retired", "homemaker", "unemployed", or similar, please complete that section with "n/a". If you are self-employed, please list an occupation.)

As we are required by law to report this information and have already filed a report without it, we would greatly appreciate your response as soon as you are able. Please respond with this information as soon as possible!"
