In reference to the Commissions questions of excess contributions, a transfer of \$2,000 was made to the Levin account on 8/9/2009 for the excess portion of the Gila River Indian Community contribution. The other contribution in question, Robert Graham, was reattributed to his wife on 8/6/2009. Both of these transactions were disclosed on the September Monthly Report (8/1/2009-8/31/2009).
