Reference: April Monthly Report (3/01/10-3/31/10)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the **Primary** election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund.

10030342536

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

2. Schedule A of your report discloses one or more contributions totaling \$1,000 from "C&P Advisors, LLC" and \$400 from "H&G Limestone Products, LLC", which appears to be a corporation(s). 2 U.S.C. §441b(a) prohibits the receipt of contributions from corporations unless made from a separate segregated fund established by the corporation. Limited liability companies (LLC's) that choose to be treated as corporations under the Internal Revenue Service rules, or have shares that are traded publicly, are considered corporations. In the event that the LLC is treated as a partnership under IRS rules, the aforementioned contributions are to be attributed to each member in direct proportion to his or her share of the LLC's profit or by agreement of its members. Each member who has contributed in excess of \$200 for the calendar year should be identified by name, address, amount of contribution, name of employer, occupation and aggregate total on Schedule A. 11 CFR §110.1(g)(1) through (5).

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If you have received a prohibited contribution(s), you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. See 11 CFR 103.3(b)(1).

10030342537

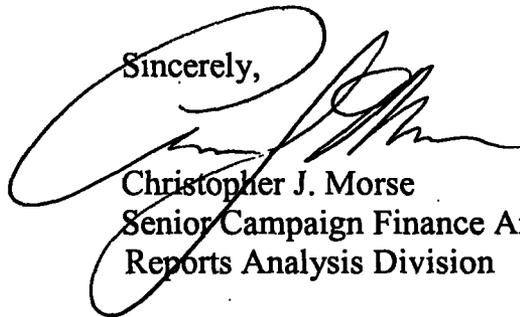

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee to transfer-out or refund the amount will be taken into consideration.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1133.

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 items:

1. The totals listed on Lines 6(c), 11(a)(i), 11(a)(ii), 11(a)(iii), 11(d), 19 and 20, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.
2. The beginning cash balance of this report should equal the ending balance of your 2010 March Monthly Report (2/01/10-2/28/10). Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.
3. Your calculations for Line 8 appear to be incorrect. Cash-on-hand at the close of the current reporting period should always equal the closing calendar year-to-date cash-on-hand amount. Please provide the corrected total on the Summary Page.
