Form/Schedule: F3XA  
Transaction ID :

This Committee files this amendment to add additional disbursements identified during the Committee's regular, continuing audit of activity. Two disbursements from July of the reporting period were not captured due to internal tracking miscommunications with the vendor payee. Additionally several disbursements were incurred at the end of the relevant reporting period but mailed to the payee during the Committee's transition to digital record keeping and a commercial reporting platform which occurred in the next reporting period. This transition process failed to capture the payments in the appropriate reporting period.
