Dear Mr. Pooler:

On September 28, 1994, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your October 13, 1994 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You provided a listing of all the partners who contributed to your PAC in 1994 as well as the amount each contributed during the July Quarterly Reporting period and the 1994 aggregate. Each person who has contributed in excess of \$200 since January 1, 1994 should be identified by name, mailing address and zip code, occupation, name of employer, amount of contribution, date of the contribution and aggregate year-to-date contribution total on a Schedule A supporting line 11(a)(i) of your Detailed Summary Page. Please amend your report by itemizing all contributions from individuals/persons, which aggregate greater than \$200 in the calendar year and submit on a Schedule A.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Neil Evans on our toll-free number (800) 424-9530 or our local number (202) 219-3580.
