Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in enforcement action.** Additional information is needed for the following 3 items:

1. Line 13 of the Summary Page of your report discloses \$0.00 in expenditures subject to limitation. A presidential committee that receives or expects to receive federal funds during the primary election is required to calculate and provide the Expenditures Subject to Limitation and disclose it on Line 13. (11 CFR § 110.8) Please call your analyst for further instructions on using the FEC Form 3-P Worksheet to determine the amount to enter on Line 13.
2. Your Amended March Monthly Report, received 4/8/08, discloses a substantial increase in the amount of debt from those disclosed on your original report. Please amend your report to clarify why this additional activity was not provided with your original filing. (11 CFR § 104.3)
3. Schedule B-P of your report discloses a disbursement to a credit card company with no accompanying memo entries. When reporting payments to credit card companies, if the payment to the original vendor aggregates in excess of \$200 in an election cycle, you must itemize, as a memo entry, the name and address of the original vendor, together with the date, amount and purpose of the expenditure. If itemization is not necessary, you must indicate so in an amendment to this report. Please correct your report to include the missing information. (11 CFR § 104.9(a) & (b))

**Please note you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration. **Requests for extensions of time in which to respond will not be considered.** Failure to comply with the provisions of the Act may result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1169.

Sincerely,
