RE: AMENDED 30 DAY POST-GENERAL REPORT (10/14/2010 -
11/22/2010), RECEIVED 05/19/2011

Due to an error on the part of our outside vendor, the bank receipts totaling in the amount of \$73,467 contributed on 11/16/2010, were mistakenly reported in a pre-general amendment (filed 1/19/2011) as contributions made on 10/1/2010.

However, after review by our outside counsel, it was determined that the amendment to the pre-general report showing those contributions as having been made on 10/1/2010 was erroneous. These contributions were deposited on 11/16/2010 and should have been reported on the post-general election report (filed 12/1/2010). Thus, Aflac PAC amended the pre-general and post-general reports a second time on 5/19/2011 to correct this error.

Thank you for your understanding in this matter.
