Re: RFAI dated April 17, 2014

This same matter was the subject of the FEC's RFAI dated March 10, 2014. That RFAI mistakenly referenced the pre-primary report, but this refund at issue was actually reported on the Year End report filed January 31, 2014. The Year End report was amended in response to the March 10 RFAI.

The Committee's response filed by Form 99 on April 14, 2015, in response to the prior RFAI referenced above, addresses this matter. Please refer to that Form 99.
