Re: Skilled Healthcare Group Inc. Political Action Committee (Identification Number:C00442426)
Mid-Year Report (1/1/09-6/30/09)

Dear Ms. Garnes:

This letter is being submitted to respond to the RFAI dated September 30, 2009 regarding contributions in excess of FEC limits for non-multicandidate committees.

An amendment to the Mid-Year report has been filed to correct the Wyden for Senate contributions. The contribution was reported as going entirely to the Primary 2010 election, but should have been split between the candidate's Primary and General elections. In addition, letters have been sent to both Wyden for Senate and Congressman Waxman Campaign Committee requesting refunds to reduce the PAC's contributions to allowable levels. Copies of the letters will be sent to your office in hard copy as they can not be attached to this filing.

Once the refunds are received from the campaign committees, the PAC will report them on the upcoming Year-End report due in January 2010.

I trust this answers the FEC's concerns, but if there are any other questions please do not hesitate to contact me.

Sincerely,

Jon Sadayasu
Treasurer
