Dear Mr. Steinberg:

On June 20, 2001 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your July 3, 2001 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Your response stated that since "salary" was an adequate description that "consulting" should also be considered adequate.

When reporting disbursements for consulting, a committee should report the type of consulting services rendered in order to provide an adequate description. Please review Schedule B of your report and amend all disbursements with the description consulting. For further guidance regarding acceptable purposes or disbursements, please refer to 11 C.F.R. §104.3(b)(3).

An adequate response must be received at the Commission by August 1, 2001. Adequate responses received on or before this date will be taken into consideration in

determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
