

This filing is in response to a notice from the Federal Election Commission dated December 19, 2007. The notice requested clarification that our PAC did in fact receive contributions from at least 51 different persons as of 6/11/2007. In response, I verify that we did receive contributions from our 51st contributor as of 6/11/2007.

If you have further questions or need additional information I can be reached at 415-893-1518 x235.

Sincerely,  
Jon R. Alsterlind
