This \$100,000 transfer is being made to correct an accounting error that took place in 2002. In October 2002, the committee received a \$100,000 non-federal loan that passed through its federal account. Although the committee immediately transferred the \$100,000 loan to a non-federal account, due to an accounting error, a second \$100,000 transfer was made. Although the committee intended to correct this error, due to an oversight, the error was not corrected. The committee has been carrying a \$100,000 adjustment ever since. Since the committee no longer intends to recoup the \$100,000 transfer, the committee is making this adjustment to adjust its reconciliations and cash on hand to properly reflect actual federal cash-on-hand.
