Explanation regarding April Monthly Report (3-1-2013 - 3-31-2013)

On March 20, 2013 this PAC made a contribution of \$10,000.00 to the Mississippi Republican Party. This \$10,000.00 was to be designated to the state (non-federal) account. The Mississippi Republican Party mistakenly designated the \$10,000.00 contribution to their federal account. The Mississippi Republican Party subsequently filed a Form 99 report noting the contribution was being transferred to the non-federal account on 4-19-13.
