Re: Amended October 2004 Monthly Report  
C00055532

The Commission has asked for a more detailed explanation of the "FEA MAILINGS" activities reported on the above noted filing of the NY Republican Federal Campaign Committee. The disbursements for "FEA MAILINGS" were for campaign mailers on behalf of the candidates noted and had a volunteer component. The funds used to pay for these mailers were state raised federal dollars of the New York Republican Federal Campaign Committee and no funds transferred from the national committee were used in the payment of these mailers. Consequently, these disbursements do not constitute a contribution to a federal candidate, independent expenditure or independent expenditure and are properly reported as exempt activity.
