Dear Mr. Daly:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B supporting Line 21(b) of your report discloses a payment(s) to another political committee(s) for goods and/or services provided by that committee(s). 11 CFR §100.52(d)(1) states that "...the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution." Examples of goods and services include equipment, supplies, personnel, membership lists and mailing lists. The term "usual and normal charge" for goods is defined as "...the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution". The usual and normal charge for services is defined as "...the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered." 11 CFR §100.52(d)(2)

Please clarify whether your committee was assessed the usual and normal charge for the goods and/or services you received and explain the steps the political committee(s) took in determining the amount(s) charged to you. If your committee was provided the goods and/or services at less than the usual and normal charge, the difference between the two is considered to be an in-kind contribution by the political committee(s) to

your committee and is subject to the limits set forth at 2 U.S.C. §441a.
(11 CFR §100.52(d)(1))

-Schedule B supporting Line 23 of your report discloses a contribution(s) to "Victory 2006." Please clarify whether this is a federal committee(s), as there does not appear to be a committee(s) registered with the Commission under this name(s). In the event this is a non-federal committee(s), please disclose it on Schedule B supporting Line 29 of the Detailed Summary Page.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
