ID Number: C00330886

Reference: October Quarterly Report (7/1/08-9/30/08)

To Whom It May Concern:

Our committee is in receipt of the Commission's letter regarding the above referenced report. Please see below for our complete response. If you need any further information, please do not hesitate to contact us.

Our committee does have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow up does not request any additional monies and contains a self addressed envelope and again informs the person of the federal requirement for requesting this information. Finally, we add the new information to our database and include it going forward. Because our committee chooses to itemize all donors regardless of contribution amount, the number of donors for whom we do not have the employer occupation information will naturally be higher.

Please find in the enclosed amendment addresses and permissible purposes as determined by the Commission for all expenses.

In the enclosed amendments we have added memo entries to demonstrate all final payees. We have added this information for both credit card payments as well as staff reimbursements for travel and other expenses. We will continue to do this going forward.

We trust that this response is sufficient and complete. If you need any further information, please do not hesitate to contact us.

Sincerely,
Crapo for Senate
