RE: RFAI for April Monthly Report (03/01/2014 - 03/31/2014), ID Number C00302166

Dear Ms. Benitz,

Thank you for your letter of May 23, 2014 regarding the April Monthly Report (03/01/2014 - 03/31/2014) for Radian Group Employees Political Action Committee (C00302166) ('Radian PAC'). It is my goal to achieve complete and accurate disclosure in accordance with Federal Election Commission standards.

You asked me to explain and address as appropriate an apparent excessive contribution by Radian PAC to Friends of Pat Toomey. You explained that based on contributions made by Radian PAC and disclosed on its 2012 October Monthly and 2014

April Monthly reports, Radian PAC may be over the contribution limit for Friends of Pat Toomey for the 2016 General Election.

Radian PAC did not make an excessive contribution, but rather a reporting error. Radian PAC inadvertently disclosed its contribution of \$5,000 on September 21, 2012 as designated for the 2012 General Election, which the FEC then designated for the 2016 General Election. Radian PAC only intended that the contribution be used for Senator Toomey's next scheduled election, therefore the contribution should have been designated for the 2016 Primary Election. Friends of Pat Toomey correctly designated Radian PAC's contribution on its own report (<http://docquery.fec.gov/pdf/816/12020780816/12020780816.pdf>, page 171).

I have electronically amended Radian PAC's 2012 October Monthly report to accurately reflect Radian PAC's intent for the election designation. If you have any further questions, please do not hesitate to contact me directly.

Sincerely,

C. Robert Quint
