

December 7, 2006

On October 20, 2006, we filed Form 24 (FEC-246720), reporting a payment to Sandler Innocenzi for Radio Ads in support of John Sullivan, Candidate ID: H2OK01093. This payment was in the amount of \$27,510.00. At that time, we believed that was the full amount owed to Sandler Innocenzi for these radio ads. However, today, December 7, 2006, we were notified that there were additional expenses for the ads, specifically messenger services and production costs for the radio ad.

We are aware that we did not include these additional expenses on the Form 24 dated October 20, 2006. However, we are reporting these additional expenses as debt on Schedule D in our Post-General Report, to be filed on 12/7/06.
