RE: Identification Number C00089458  
2002 30 Day Post-General Report (10/17/2002-11/25/2002)

Dear Mr. Walker,

This is in response to your request for clarifying information on receipt and disbursement activity during the reporting period covered by the 2002 30 Day Post-General Report on Lines 11(a)(i) and 21(b) of the Detailed Summary Page that was not included on the original report. The activity in question was previously disclosed in an amended report filed on January 22, 2003 prior to the February 13, 2003 amended report cited in the letter requesting additional information.

The information pertaining to the activity in question was contained in a bank statement and deposit receipts covering the reporting period, but not received until after the 2002 30 Day Post-General Report had already been filed. On account of this being a Post-General Report, it was due 30 days following the election -- on December 5, 2002 -- and was timely filed on December 2, 2002. Since this reporting deadline was earlier in the month than the traditional 15th of the month for Quarterly Reports, we had yet to receive our previous month's bank statement containing the information in question. The activity was then disclosed on the aforementioned first amended report prior to the filing of the Year-End Report.

If you have any further questions regarding this matter, please contact Jim Riley, NSSGA's Director of Government Affairs, at (703) 526-1084.

Sincerely,  
Jennifer Joy Wilson  
Treasurer, ROCKPAC
