

ETEXT ATTACHMENT

In response to your letter of 2/15/2006 I have today filed electronically a Form 1M that contains all of the information that was on the paper filed one from 2001.

I have also filed an electronic Form 1 to reflect several additional affiliations. I did this as a new Form 1 because my records showed that all previous Form 1s were paper so there was no electronic one to amend.

Let me know if you need any additional information. I can be reached at mcampbell@geico.com or 301 986-3162.
