Dear Reports Analysis Division,

This letter is in response to the RFAI letter to Mr. David Alan Brat (candidate id number H4VA07143) dated June 24, 2019.

I am not a candidate for Federal Office and I have not authorized the solicitation of contributions nor the making of expenditures on my behalf.

The contributions in question were received by a Joint Fundraising Committee, Brat Victory Fund (C00667881), at an event held on October 29, 2018. The treasurer of that committee transferred the funds to the Friends of Dave Brat committee on December 14, 2018. The filing software would not allow these contributions to be reported on the date they were received by the JFC.

I trust that this response adequately responds to the notification.

Sincerely,

Dave Brat
