We are in receipt of your 2/22/08 ltr referring to the 12-Day Pre-Primary-Report (7/1-10/17/07). We have addressed through an amended report the various issues raised. In reverse order the issues were as follows: Item #4: We have amended any transactions on Sched. E that were missing info. In previous versions of the software, this info was linked to the candidate, but, in this version, became de-linked and had to be added manually. Item #3 indicates that some items on Sched. A were not reported on Sched. B. After conferring with our database provider, we have re-imported the data into the FECfile and corrected this issue on the amended report. This issue should not recur. Item #2: Because of a data entry error, packages of earmarked contributions sent to candidates on 7/12/07 were inadvertently reported as being transmitted on 7/11/07. The date of the transmittal has been corrected in the amendment. Item #1: The PAC is aware of the 10-day transmittal period for earmarked contributions and always strives for 100% compliance. Nonetheless, because of a technical problem with the communication between our website and database and, separately, a staffing shortage, a few brief delays did occur, reducing compliance for this period to 98%. All dates reported were correct. These issues have been resolved and should not pose any problems in the future.
