Dear Mr. Jones:

This letter is in response to your request for additional information, dated August 23, 2011.

Your letter indicates that Schedule A supporting Line 11(a)(i) discloses a negative entry. Most of the contributions reported by the Committee are received thru the company payroll deduction process. At times, corrections to these deductions occur and the payroll deduction includes debits against the transfer received by the Committee from the company payroll department. These are similar to chargebacks or returned contribution checks.

Because these are not refunds issued by the Committee, but debits to deposits made, the Committee discloses them as negative receipts. This same disclosure method is used to report contribution chargebacks and non-sufficient fund debits.

The Committee will clarify these negative entries on all future reports.

Sincerely,

William Mines
Treasurer
