RE: Amended July Quarterly Report (04/01/2020 - 06/30/2020) FEC-1517720 filed 5/20/2021

Dear Mr. Adamsky:

This memo is in response to the request for additional information dated June 1, 2021 regarding the above referenced report.

This amendment is the third amendment filed for this period. On the Form 99 (FEC-1427735) filed on 7/21/2020 we explained that the Schedule D, Line 10 amounts in amendments for the April Quarterly (FEC-1427734 filed 7/21/2020) Report and July Quarterly Report (FEC-1428042 filed 7/23/2020) were being reduced as the result of a debt write-off. Please see that document for a detailed explanation.

After reviewing the original documents for the second quarter, we made two adjustments to correct for debt that had been incorrectly omitted from the Schedule D Line 10. On the second amendment to the July Quarterly report (FEC-1491269 filed 1/26/2021) the amount was increased from \$3,262.06 to \$26,459.62 to correct for an over writedown of the debt on the 7/23/2020 amendment. The amendment referenced above increased the debt by \$9,672.06 to \$32,870.61 when it was discovered that debt attributed to the October Quarterly Report actually belonged on the July Quarterly Report.

Our filings have been made difficult by the ongoing problems we have had with the FECFILE .dcf files failing. We have just rebuilt another file and are checking for any additional problems.

If you have any questions, please contact me. Thank you.
