Dear Mr. Walker:

We are in receipt of your letter dated February 20, 2002 in regards to our mid-year filing for the period from January 1, 2001 through June 30, 2001. We are a relatively small organization that does attempt to employ a full-time executive director. For the first several months of 2001, however, we did not have the position filled. As our primary fundraising event is generally towards the end of the calendar year, and our contributions to candidates do not generally require executive director participation, we were able to perform our functions without a director as our volunteer board of directors stepped up to perform some of the functions needed. You will note that we had the position filled during the second half of 2001 when our fundraising event occurred, yet we are again without a director by the end of the first calendar quarter of 2002, during our slow period.

If you have further questions, please do not hesitate to contact me at the address or number below.

Sincerely,

Matthew G. Mitzen, Treasurer
