Reference: 12 Day Pre-Special Report (7/10/01-10/31/01)

Dear Ms. Mattoon:

On February 13, 2002 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your February 27, 2002 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The Commission notes your committee reports EVENT YEAR-TO-DATE totals as one total per category on each report. However, this total should reflect the total from your previous report combined with event totals from the current report. Please amend your report by providing the correct EVENT YEAR-TO-DATE totals for Administrative/Voter Drive.

An adequate response must be received at the Commission by March 27, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered

by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you have any questions regarding this matter, please contact Thomas Maxwell on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division), our local number is (202) 694-1130.

Sincerely,

John D. Gibson
Assistant Staff Director
Reports Analysis Division
