Re: 30 Day Post-General Report
(10/01/2010-11/22/2010)

Dear Ms. Benitz:

In answer to your March 10, 2011 correspondence, the transaction that you describe in that correspondence, which disclosed to the Federal Election Commission all information required by law for a contribution to a federal candidate, but in a memo entry, now has been modified and the information regarding this transaction is again reported, but not as a memo entry. If you have any questions or concerns, feel free to contact us.

Very truly yours,
