Attn: Compliance Division

To Whom It May Concern:

We are in receipt of your August 12 and August 19, 1998 letters advising the USAA Group PAC of eight contributions that were designated incorrectly to primary elections which have already occurred. Since that time, we have conducted a review of our procedures, audited all disbursements and identified six additional contributions that will also require amendment.

Since none of these disbursements resulted in excessive contributions, we are in the process of contacting each recipient and requesting documentation regarding redesignation of those funds. Our FEC reports will then be amended accordingly.

Thank you for bringing this matter to our attention. If you have any questions or need additional information, please feel free to contact Sally Gustafson (210) 498-0757.

Sincerely,

Josue Robles, Jr.
Treasurer
