RE: 30 Day Post-General Election Report (10/16/08 - 11/24/08)

On October 20, 2008, Illinois Tool Works for Better Government Committe made a contribution to "Former Bob Schaffer" for \$2,000 (check number 2797). When ITW issue the check ITW didn't realize his committe has been terminated and is no longer registered with the Commission. The check was cashed by the committee on October 29, 2008.
