RE: C00010983

Dear Mr. Vuong:

This letter is provided in response to your inquiry, dated March 6, 2012, requesting additional information regarding the amended Mid-Year Report filed by Johnson & Johnson Political Action Committee (the "Committee") on December 2, 2012 (the "Amended Report").

The error corrected by the Committee in the Amended Report stemmed from the same difficulties that were the subject of the Committee's March 13, 2012 letter to the Federal Election Commission. Specifically, due to the illness of a key employee coupled with technical difficulties relating to a change of outside reporting service providers, the Committee inadvertently underreported receipts. As soon as this matter was resolved, all affected reports were amended to reflect the correct information. Please contact us if you have any questions or require any additional information.

Sincerely,

Donald W. Bohn  
Treasurer, Johnson & Johnson Political Action Committee
