Re: Human Rights Campaign (48-Hour Report 1/1/2012 ? 3/6/2012)
Identification Number: C90012626

This letter responds to your request for additional information dated April 19, 2012 regarding HRC's 48-Hour Independent Expenditures Report received on March 6, 2012. Your letter requested that we amend our 48-Hour Report to include aggregate calendar year-to-date totals.

On April 25, 2012, we notified you by voice mail that aggregate calendar-year-to-date totals were inadvertently not included on our 48-Hour Report due to a technical problem with NGP reporting software that has since been corrected. However, these totals were properly reported on our April Quarterly Report filed on April 13, 2012.

Given these facts, you notified us by voice mail on the same day that it is unnecessary for us to amend our 48-Hour Report or take any further action related to your request, which you said has been responded to adequately.

Should you need further information, please feel free to contact me at (202) 216-1549 or Darrin Hurwitz, Assistant General Counsel, at (202) 572-8914.

Sincerely,

Jim Rinefierd
Treasurer
