RE: Senate Majority Fund C00368431
FEC letter dated May 26, 2006

Dear Madame Secretary:

This letter is in response to the Federal Election Commission's letter dated May 26, 2006 requesting clarification of disbursements made by the Senate Majority Fund in our April Monthly Report (3/1/2006-3/31/2006).

The expenditures made for "Fundraising Commission", to clarify, should be stated as "PAC Fundraising Commission". The fundraising for our PAC is done by professional fundraisers on a contract basis. They are paid based on funds raised for the PAC.

If you have any further questions, please call me at 602/840-0306.

Yours Truly,

Ashley Ragan
