Owing to having surgery out of town, I am not in a location where I have access to my desktop where I have FEC file downloaded.

By instructions from my liaison Jack at the federal election commission I am issuing this message to advise the FEC that I will have a delay in filing my monthly report.

Please be advised that I have had no expenditures and no receipts collected this Period. As soon as Possible after my recovery, I will issue the report for the reporting period of May 2022
