Dear Ben:

The Committee apologizes for the late response to your Request for Additional Information, during the transition to the new Treasurer, this request was misplaced.

The increase in debts owed to vendors totaling \$50,500.00 is due to a revised Statement delivered to the Committee in January 2015 from Pulse Red Communications. The original invoice from Pulse Red Communications delivered in May of 2014 failed to include additional Primary advertising that was provided to the Committee. To properly reflect this increase in Primary funds owed, an amended report was filed in January of 2015.

Again, the Committee apologizes for the late response. If you have any additional questions please contact us.

Sincerely,

Steve Ralls
Treasurer
