Dear Ms. Sinram:

The National Republican Congressional Committee (FEC ID# C0075820) is in receipt of your Request for Additional Information dated November 15, 2012 regarding our amended 2012 July Monthly FEC report.

With respect to the memo entries referenced on line 11a and line 17 for Ms. Julia Jones Matthews: the original date for the memo amount of \$ 8,300 was 3/28/11 (part of a contribution of \$ 30,800), as itemized on our 2011 April monthly FEC report. The original date for the memo amount of \$ 8,600 was 3/2/12 (part of a contribution of \$15,400), as itemized on our 2012 April monthly FEC report.

Thank you for your assistance regarding the aggregation of coordinated contributions to candidates who run in more than one district during the course of an election cycle, and also with respect to coordinated expenditures made in districts with more than one candidate running. We have amended this report to reflect an aggregate of \$ 7,000 in coordinated expenditures for Allen West.

In addition, we have added memo text to the amendment as per your recommendation, clarifying that the aggregate coordinated expenditures total for Kim Vann represents all coordinated expenditures on behalf of candidates for the 3rd district of California, and that the aggregate coordinated expenditure total for Ricky Gill represents all coordinated expenditures on behalf of candidates for the 9th district of California.

Finally, the amendment will clarify that the line 12 amount itemization of \$ 7,500 from Mr. Travis McGraw represents the individual attribution of the \$ 7,500 donation from TDMN Heritage Holdings, Ltd.

Sincerely:

Keith A. Davis, Treasurer  
National Republican Congressional Committee
